This movie is a mix of slapstick comedy and romantic love and is best suited for family viewers. The movie was released on 7 August 2015, and had a worldwide gross of US\$51,012,275.00. It was the most successful Indian film of 2015. The film marked the Bollywood debut of Akshay Kumar. Bajrangi Bhaijaan Review: Akshay Kumar plays Jagdish, an elderly farmer living in a village. One day his son Anand kills his abusive father, and decides to go to UK. He gets assisted by the local NGO Shanti Bhawan, which gives him one passport. While driving with his brother-in-law as a pillion, they pick up a suspicious woman from the road, who turns out to be Sameer's (Amitabh Bachchan) wife, with a baby in the car. On arriving at UK, Anand stays in the house of a rich businessman while Jagdish gets a job at the local market. Jagdish begins to change his lifestyle. Sameer, who doesn't want to lose his wife and the child, follows Anand and his family. Anand reveals his identity as a spy and

Sameer becomes convinced that Anand is indeed a spy. When they are caught, Anand and Jagdish escape on foot. They reach an American submarine where Jagdish is arrested as an enemy agent and the submarine has to go back to India. Anand and Jagdish decide to come back on foot to India to save Jagdish and the submarine with Jagdish's identity card. Before they reach India, Anand gives birth to a boy, whom he names Bajrangi. Akshay Kumar as Jagdish Sameer Bachchan as Anand Amitabh Bachchan as Sameer The film features an ensemble cast that includes Neena Gupta as Jagdish's wife, Prateik Babbar as Anand's brother-in-law, Neha Sharma as Sameer's wife, Simran as their daughter, Sushmita Mukherjee as Sameer's younger sister, Arif Zakaria as the Navy commander, Fardeen Khan as the Indian Chief of Staff and Deepika Padukone as a nurse. It also features the Bollywood special effects team Kaabil VFX. Bajrangi Bhaijaan is a cinematic 82157476af
